band commencing with those of the Fatherland scattered over the face of this mighty country, many of whom brought with them and handed down the traditions of a great nation, and who were here to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuation of a long and arduous military or naval occupation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, an infusing new health and vigor in the system.

What? Why a Beautiful Head of Hair.

Has provided for our race. Readers, although the rose may bloom *ever so brightly* in the glowing cheek, the eye be *ever so sparkling*, the teeth be those

still, if sprinkled with gray, nature will lose more than one half her charms. Prof. Wood's Hair Restorative, if used two or three times a week, will restore and permanently secure to all such an ornamental head the following:

The writer
of this letter celebrates tonight, *Thurs.*

Dr. Woods' New York, April 19, 1859.
Dear Sir—Permit me to express to you the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your "Hair Restorative," it has again become black, and I feel that your Restorative has been a very wonderful intervention, and I am

Prof. O. J. Wood—*Dear Sir:* Some month or six weeks ago I received a *bundle* of your Hair Restorative and gave it to my wife, who concluded to try it on her hair. Little thinking at the time that it would restore the gray hair to its original color, but to her as well as my surprise, after a few weeks' trial it has performed that wonderful act by turning all the gray hairs to dark color. I am now using it and the gray hairs are beginning to turn dark. I am truly yours,
O. J. Wood

Prof. O. J. Wood: With confidence do I recommend your Hair Restorative, as being the most efficacious article I ever saw. Since using your Hair Restorative my hair and whiskers which were almost white have gradually grown dark; and I am confident that a few more applications will restore them to their natural color. It has also relieved me of all dandruff and unpleasant itching, so common among persons who perspire freely.

The Restorative is put up in bottles of three sizes: viz.: large, medium and small; the small holds half pint, and retails for one dollar per bottle; the medium holds twenty per cent more in proportion than the small, retails for two dollars per bottle; the large holds a quart, for one cent more in proportion and retails for three dollars per bottle.
